Exhibitor Showcase

Inductive Automation is planning a series of co-branded vendor showcases for ICC 2026. These 45-minute sessions are designed to highlight functional, real-world Industry 4.0 solutions built on an open infrastructure and deeply integrated with Ignition. Our goal is to ensure every showcase focuses on solving a real-world industrial problem.

Demonstrations must actively feature Ignition as part of the working solution, focus on real-world situations, and include a clear explanation of the overall system architecture.

As official parts of the ICC schedule, these highly-anticipated sessions will offer end-users and integrators a prime opportunity to witness the cutting-edge possibilities within the Ignition ecosystem. Attendees eager to see the exhibited technology in action are expected to give these showcases significant attention.

There are 23 exhibitor demo showcases available on a first-come, first-served basis.

Prime Showcase
\$7,000 - 7 Available

SOLD OUT

- Gateway Theatre (Right Next to Grand Theatre)
- 3 Showcases on Day 1 Tuesday
- 3 Showcases on Day 2 Wednesday
- 1 Showcase on Day 3 Thursday

Standard Showcase
\$5,500 - 16 Available

SOLD OUT

- Central or Edge Theater
- 6 Showcases on Day 1 Tuesday
- 6 Showcases on Day 2 Wednesday
- 4 Showcases on Day 3 Thursday

Elevate your demonstration by opting for a collaborative showcase that highlights the power of the Ignition Ecosystem through a real-world, integrated solution. This optional format allows you to move beyond a standalone product demo by bringing additional companies onto the stage to show how your diverse technologies work in tandem with the Ignition platform to solve complex industrial challenges.

By presenting a unified ecosystem, you provide attendees with a comprehensive vision of interoperability that drives deeper engagement and underscores the collective value of your joint-solution within the Ignition community. **This collaborative option is limited to a maximum of three additional companies per showcase at a cost of \$1,000 per company.**

Exhibitor Showcase Abstract

Inductive Automation is excited to introduce the Technology Ecosystem Showcase at ICC 2026. This new 45-minute format highlights how your solution integrates with Ignition and other ecosystem tools to solve real-world industrial problems.

Presentation Guidelines

- **Title:** [Please provide a title for your presentation]
- **Description:** [Provide a brief description (max 4 sentences) outlining the industrial problem, your solution, and how it benefits Ignition users].
- **Speakers:** [List names, job titles, and provide headshots for each speaker].

Showcase Requirements & Format

- **Live Demo Required:** You must demonstrate a working system that shows a meaningful change within Ignition (e.g., real-time data flow).
- **Presentation Structure (45 Min):**
 - **Problem & Solution (4 min):** State a real industrial problem and a high-level explanation of your solution.
 - **Architecture (5 min):** Provide a simple diagram highlighting interactions with other ecosystem tools and open standards (OPC UA, MQTT, etc.).
 - **Live Demo (20 min):** Show the solution in action and demonstrate the value compared to traditional methods.
 - **The "Complication" (5 min):** The host will introduce a pre-vetted problem scenario (e.g., lost connection) for you to resolve live.
 - **"Better Together" (5 min):** Answer the "1+1=3" question—how your tool pairs with others to create exponential value.
 - **Q&A (5 min):** Audience questions and closing.

Important Rules & Deliverables

- **Slides:** Limited to a maximum of 3 slides (two must be "before and after" architecture diagrams).
- **Integrations:** Must focus on an Ignition integration and reference at least one other exhibitor/tool.
- **Setup:** 15-minute setup time provided; presenters must arrive 10-15 minutes early. Ensure your laptop supports HDMI.
- **Support:** Inductive Automation provides licenses and a cloud-based Ignition environment, will validate the requirements of the showcase, but does not assist in building the demo.

Interested in applying for an Exhibitor Showcase? Select "Yes" and leave your brief showcase description when you apply.

Brand Awareness and Experiences

Tuesday Eat & Greet Sponsor \$10,000 - 1 Available

- Be the host of the highly anticipated "Eat & Greet," where attendees reconnect with old colleagues and forge new partnerships.
- Includes table-top signage and branded napkins.

"Powered by" Coffee Sponsor \$4,000 - 3 Available

- Be the hero of the morning! Every attendee needs their caffeine fix and your brand will be the official coffee provider.
- Includes table-top signage and branded napkins.

Breakfast Sponsor \$3,000 - 3 Available

- Own the most important meal of the day in a relaxed, communal setting before the sessions begin.
 - Includes table-top signage.
-

Exhibitor Explorer Scavenger Hunt \$500

- Drive more traffic to your booth. Attendees will be incentivized to check in at your booth with this scavenger hunt-style game.
- Includes promotion in marketing materials.
- Included in Diamond and Platinum packages.

Booth Engagement (Tuesday Eat & Greet Only)

- Welcome attendees during the Tuesday Eat & Greet by promoting your booth with food and beverage options such as freshly baked cookies, popcorn, root beer floats, and an assortment of beverages.
- Sponsor is responsible for all coordination and direct payment to the official venue caterer for food, beverage, or specialized service equipment.
